

# This Weekend in Boarding

Saturday morning, we created our own vision boards and reflected on our New Year resolutions for 2025. In the evening, we headed down to the Old Port ice skating rink. We laced up our skates and glided to the upbeat music and the twinkling lights of Old Montreal.

Sunday, we enjoyed a delicious pancake breakfast and went to the wellness centre. The rest of the day, some students stayed in to relax while others went out to enjoy the snowy sights of the city.
